WE'RE CREATING ANOTHER SAFE AND CONVENIENT WAY TO GET AROUND DENVER

The Denver Department of Transportation and Infrastructure is seeking your input for a new bike lane planned for your neighborhood on E Dartmouth Avenue, from S Franklin Street to S Colorado Blvd that provides:

• Dedicated space on the street for people on bikes.
• Street designs that increase comfort of riding and reduce potential conflicts between bicycles and cars.
• Better connections to the places you want to go, such as schools, parks, trails and transit.
• Benefits for all roadway users at intersections and along the corridor.

JOIN US FOR THE:
E DARTMOUTH AVE BIKE LANE - OPEN HOUSE
Project Extent - S Franklin Street to S Colorado Blvd
Meeting will include a short presentation (@6:10PM) followed by a listening session to discuss the existing conditions of the corridor.

Why This Corridor?: In 2016, Denverites, helping to develop the city’s Bicycle Master Plan, proposed a bike lane on E Dartmouth Ave from S Franklin St to S Colorado Blvd. Denver’s Department of Transportation and Infrastructure plans to repave a portion of E. Dartmouth Avenue in 2020, and seeks to discuss coordinating the installation of this bike lane with its annual paving efforts.

For public accommodation requests/concerns, please contact: DisabilityAccess@denvergov.org. A sign language interpreter and open captioning via Communication Access Realtime Translation (CART) will be provided.

A sign language interpreter, open captioning via Communication Access Realtime Translation (CART), and assistive listening devices for sound amplification provided upon request with at least a three (3) business day notice, please contact: SignLanguageServices@denvergov.org. For additional public accommodation requests/concerns, please contact: DisabilityAccess@denvergov.org.
